

Network Solutions has always been a value add company for Schenck Business Solutions. They have completed a broad range of projects for us. These projects range from a single add line to a whole office build out. Workmanship is always done meticulously and to standards. The value adds is they are always watching out for Schenck. When you can not be on site to monitor progress they are assisting you in bring to your attention possible problems or situations. They are easy to work with. They are always working around your schedule to make sure your project is completed on time. Network Solutions is a great value for your money. I would recommend them to any one for their next project.
